## **Ancient Cities of the Northern Coast**

Explore the ancient port cities that reside along Israel's beautiful coastline. Make your way through the ruins of the **Roman city of Caesarea**, explore Haifa's world-famous **Bahai Gardens**, discover fortress-filled city of **Acco**, and descend to the grottos of Rosh Hanikra.

## **What Will I Experience?**

### **Herrod's Ancient City of Caesarea**

After breakfast we'll say farewell to Tel Aviv and head north along Israel's coast. We will travel to the Caesarea National Park, which contains an impressive Roman Amphitheatre, the Hippodrome- a 20,000 seat horse racing arena, and the Roman Aqueducts.

### **Bahai Gardens Haifa**

Also known as the Hanging Gardens of Haifa, the Bahai Gardens here were built on 19 cascading terraces that rise more than half a mile up the slope of Mount Carmel. From the beautifully landscaped gardens, visitors can take in spectacular views of Haifa and its bay.

### **Acco Fortified Walls**

Head to one of the oldest continuously inhabited cities in the world- Acco, dating back to the time of the Pharaoh Thutmose III (1504-1450 BCE). A walk along the land wall and along the sea wall illustrate the military strength of the ancient protected city.

### **Rosh Hanikra Grotto's & Cable Car**

Formed over a period of thousands of years from waves hitting the soft chalk rock on Israel's coast, the beautiful Grottoes (sea caves) of Rosh Hanikra are truly a wonder of creation. Ride via cable car from the mountain top down to sea level to walk within its gorgeous walls.
